

2016 Des Moines Triathlon and Iron Kids Road Closures

The 2016 Des Moines Triathlon and Iron Kids will take place September 3-4, at Gray's Lake Park in Des Moines and temporary road closures will be necessary throughout the mornings. The City of Des Moines, West Des Moines and Premier Event Management have worked hard to ensure a successful, exciting and safe event for competitors, spectators and residents. On that note, please prepare for temporary street closures throughout the mornings. Signage will be posted throughout both cities to further help notify and navigate people on race day. We appreciate your cooperation and hope to see you all at Gray's Lake on Labor Day weekend!
