Item No. 5

ISSUE: Regional ITS Architecture Update

REPORT: Discussion regarding the Regional ITS Architecture Update.

BACKGROUND:

MPO staff has begun work on the Regional ITS Architecture Update for the Greater Des Moines Area. The update to the ITS Architecture will build upon the *Des Moines Area Regional Intelligent Transportation Systems (ITS) Architecture Update* completed in August of 2009.

MPO staff anticipates the Regional ITS Architecture update process to take several months with an expected completion date in spring/summer 2017.

MPO staff sent stakeholders the existing inventory survey and has received responses from 17 stakeholders. Based on responses, MPO staff will be communicating with stakeholders that did not respond to determine existing ITS elements.

RECOMMENDATION:

None. Report and discussion only.
