VISION, MISSION, GOALS, OBJECTIVES

Draft Vision and Mission Statements

Vision

The water trails and greenways of Greater Des Moines will be a natural haven, recreational keystone, economic driver, and community focal point that welcome people of all ages, abilities, interests, incomes, and cultures to connect and commune with their rivers, creeks and greenways.

Mission

Ever mindful of future generations, our mission is to cooperate across political boundaries to accentuate and enhance the region's water trails and greenways to realize their immense potential as a multifaceted centerpiece for a vibrant and dynamic region.

Draft Goals

1. Conserve and enhance the environmental health of the rivers, creeks, and greenways
2. Expand access and connections between diverse communities and the rivers, creeks, and greenways
3. Further the health and well-being of all residents and visitors through activity and access to nature
4. Support and amplify a resilient regional economy with local, regional, and national attractions and amenities
5. Collaborate locally and regionally to develop a holistic and sustainable waterways and greenways network

Draft Objectives

Small Group Discussions:

- Move to a table that matches the goal of interest to you
- Brainstorm measurable objectives
 - Ex. Restoration of 20 acres of riverfront each year
- Amenities list

Possible Amenities/Improvements

- Dam mitigation
- Visual barriers
- Protection of natural areas
- Improve access to river for...
- Improve water quality
- Improve public attitudes toward water quality
- Increase areas of “respite” along river (benches, etc.)
- Add wayfinding
- Add interpretive information
- Restore shorelines
- Increase paved trails
- Increase non-paved trails
- Connect biking and paddling
- Develop on-line resources for visitors
- Offer variety of paddling trip lengths
- Offer variety of paddling experiences/skill levels
- Develop fishing nodes along river
- Develop fish cleaning stations
- Increase small business – liveries, fishing library
- Create places for families to play
- Develop programming – how-to classes
- Add restaurant/bar
- Add white water course
- River-access camping
- Acquisition of land for preservation

OTHER NON-ACTION ITEMS
