I ISSUE: *Fiscal Year 2020 Unified Planning Work Program and Budget Development*

REPORT: Discussion of the process to develop the next work program and budget.

BACKGROUND:

MPO staff is beginning to develop the *Fiscal Year 2020 Unified Planning Work Program* (FY 2020 UPWP) and budget, which will document all planning activities the MPO will perform from July 1, 2019, through June 30, 2020. The Iowa Department of Transportation (DOT) requires the UPWP to describe the MPO's proposed planning activities – including task objectives, previous work, project descriptions, and work products – as well as the budget and funding sources to carry out the planning activities. The Iowa DOT requires the MPO to submit a draft UPWP by April 1, 2019, and a final UPWP by June 1, 2019.

The MPO staff asks for input from member governments and participating agencies on planning tasks for FY 2020 throughout the development of the UPWP. In particular, MPO staff would welcome any proposals for special studies, plans, or other activities, as well as requests for local planning assistance.
