Section 2 of 42

Project Description

Description (optional)

Project Title *

Short answer text

Termini Description (i.e. Park Avenue to 19th)

Short answer text

Project Description *

Long answer text
Total Estimated Project

Short answer text

Federal Fiscal Year 2024 STBG

Short answer text

Total Funding Secured

Short answer text

Source of additional funds and local match? *

If the proposed improvement has secured funding, please list the sources and FFY of secured funding.

Long answer text

Is this project seeking funding over multiple years? *

- Yes
- No

After section 2  Continue to next section

Section 3 of 42
Description (optional)

How many consecutive years will funding be requested? *

- 2 Years
- 3 Years
- +4 Years

What is the total anticipated STBG funding request over the multiple years? *

Short answer text

After section 3  Continue to next section

Section 4 of 42

Section title (optional)

Description (optional)

What is the projects LRTP number (if applicable)?

A link to LRTP project numbers is located on the MPO's Funding homepage.

Short answer text
Has your agency previously applied for STBG funds for this project? *
   ○ Yes
   ○ No

Has this project previously been awarded STBG funds? *
   ○ Yes
   ○ No

Section title (optional)

What is the project's TPMS number?

TPMS# is located in the MPO's FFY 2020-2023 TIP or the online TPMS system.

Short answer text

Project Need

Description (optional)

The Federal Highway Administration requires STBG funds to be used towards regionally significant projects. Please describe how this project fulfills this requirement.

Long answer text

Describe how this project impacts other city/county goals, plans, and projects.

Long answer text

Describe any work previously completed (or underway) that this project complements or is recommended in other planning studies/construction projects

Long answer text

Expansion is considered an expensive and last resort to address congestion issues. If this is an expansion project please explain what other methods have been used to address

Please referene the Hierarchy of Congestion Strategies document located on the funding webpage.

Description (optional)

Existing street trees? *

https://docs.google.com/forms/d/13IBnl54_YyU4rvgY6HhXQBxmr2UmmJpougsZ2p1mLa30/edit
Proposed street trees? *

Street trees are trees that are located between the curb and no more than five feet back of sidewalk or located with in the center median. Must be a species of tree that grows tall enough to create an overstory.

- Yes
- No

After section 25  Continue to next section

Section 26 of 42

Section title (optional)

Description (optional)

What variety of tree(s) will be planted? *

Long answer text

What is the spacing of street trees along the corridor (ft)? *

Short answer text
Section title (optional)

Description (optional)

Does the project improve a parallel facility or contribute to alternative routing? *

- Yes
- No

Describe how the project improves a parallel facility or contributes to alternative routing? *

Long answer text
Section title (optional)

Does the project use green infrastructure to manage 1 1/4 inches of rainfall?

- Yes
- No
- Add option or add "Other"

Section 30 of 42

Section title (optional)
Long answer text

After section 30  Continue to next section

Section title (optional)

Description (optional)

Does the project use traffic calming measures? *

(i.e. on-street parking, converting one-way street to two-way, narrowing street/travel lanes, bulbs, chokers, neckdowns, chicanes, roundabouts, traffic circles, raised medians, tight corner curbs, diverters, road humps, speed tables, cushions, and alternative surface treatments.)

☐ Yes

☐ No

After section 31  Continue to next section

Section title (optional)

Description (optional)

Describe how the project uses traffic calming measures? *
Section title (optional)

Description (optional)

Does the project incorporate solutions to reduce idling? *

- Yes
- No

Section title (optional)

Description (optional)

Describe how the project incorporates solutions to reduce idling? *

Long answer text

After section 32 Continue to next section

After section 33 Continue to next section

After section 34 Continue to next section
Section title (optional)

Description (optional)

Does project cross a bridge?

- Yes
- No

After section 35  Continue to next section

Section title (optional)

Description (optional)

Is the bridge included on the structurally deficient list?

- Yes
- No

See MPO’s SD Bridge List

Continue to next section
Section title (optional)

Description (optional)

What is the structural rating of the bridge?

Number between 1-100

Short answer text

Will the project include the replacement or reconstruction of the bridge?

Yes

No

Smart City Elements
Are any of the following elements included in this project? *

☐ Right-of-Way Acquisition

☐ Utility Relocation

☐ Excavation of more than 3 feet below ground level

☐ Traffic Signal Infrastructure

☐ Light Poles

☐ None of these

Does the project include digital infrastructure elements that serve a transportation or mobility-related function? *

Suggestions:  

☐ Yes

☐ No

After section 38  Continue to next section
facilities in your jurisdiction? Check all that apply:

- Police or Fire Station
- School
- Library
- Recreation Center
- Government Offices
- Maintenance Facility
- None
- Other...

Does this project affect or touch another jurisdiction or agency? *

- Yes
- No

After section 39  Continue to next section

Section 40 of 42

Smart City Elements

Description (optional)
12/4/2019

STBG - Federal Fiscal Year 2024 Application - Google Forms

Does this project include engagement with DART relating to improvements to digital infrastructure that will benefit transit service? *

- Yes
- No

After section 40  Continue to next section

Section 41 of 42

Smart City Elements

Description (optional)

Will the digital infrastructure systems associated with this project be interoperable with other such systems serving public infrastructure in the region? *

- Yes
- No

Does the project add or upgrade any of the following digital infrastructure? *

- Coax

https://docs.google.com/forms/d/13IBnL54_YyU4rvgY6HhXQBxm2UmmJpougS2p1mLVa30/edit
Intelligent Transportation System (ITS) are technologies that advance transportation safety and mobility and enhance productivity by integrating advanced communications technologies into transportation infrastructure and modes of travel. Please describe any ITS elements of this project.

Long answer text

Please describe the overall operations and maintenance plan for this project. What agency will be responsible for ongoing maintenance and operations of the infrastructure, including digital infrastructure, and how will this be budgeted? If the project sponsor is not responsible for maintenance/operations after the project ends, please indicate responsible agency name and the status of any maintenance/operations agreements.

Long answer text
The MPO receives federal funding and may not discriminate against anyone on the basis of race, color, or national origin, according to Title VI of the Civil Rights Act of 1964. By applying to receive these funds the applicant is acknowledging that they understand and adhere to the principles of Title VI when performing activities related to the funding they receive from the Des Moines Area Metropolitan Planning Organization.

- Agree
- Disagree

To the best of my knowledge all information included in this application is true and accurate, including the commitment of all design features, physical and financial resources. This application has been duly authorized by participating local authority(s). I understand the FORMAL RESOLUTION binds the participating local governments to provide the required matching funds, design features according to those listed in the application and to assume responsibility for adequate maintenance of any new or improved facilities. I understand that, although this information is sufficient to secure a commitment of funds, an executed contract between the applicant and the Iowa Department of Transportation is required prior to the authorization of funds.

- Yes
- No

A GIS shapefile has been sent to the MPO *

- Yes
- No

An executed city resolution has been emailed to the MPO *

https://docs.google.com/forms/d/13I8n54_YyU4rvgY6HhXQBxm2UmmJpougS2p1mlVa30/edit
If proposed project is on an existing or future DART transit line, has a letter of review from DART been emailed to the MPO

- Yes
- No
