# Project Description

Description (optional)

Project Title \*

Short answer text

Project Description \*

Long answer text

Termini Description ( i.e. Park Avenue to 19th Street) \*

Short answer text

---

Total Estimated Project Cost \*

Short answer text

---

Federal Fiscal Year 2024 STBG Request \*

Short answer text

---

Total Funding Secured \*

Short answer text

---

Source of additional funds and local match? \*

If the proposed improvement has secured funding, please list the sources and FFY of secured funding.

Long answer text

---

What is the structural rating of the bridge?

See MPO's SD Bridge List

Short answer text

---

What is this project LRTP number (if applicable)?

Short answer text

Is this project seeking funding over multiple years? \*

Yes

No

After section 2 Continue to next section

Section 3 of 17

## Section title (optional)

Description (optional)

How many consecutive years will funding be requested? \*

2 Years

3 Years

+4 Years

What is the total anticipated STBG funding request over the multiple years? \*

Short answer text

After section 3

Continue to next section

Section 4 of 17

## Section title (optional)

Description (optional)

Has any part of this project been started or completed? \*

Yes

No

Has your agency previously applied for STBG funds for this project? \*

Yes

No

Has this project previously been awarded STBG funds? \*

Yes

No

After section 4

Continue to next section

Section 5 of 17

Description (optional)

What is the project's TPMS number? \*

Short answer text

After section 5 Continue to next section

Section 6 of 17

# Project Need

Description (optional)

The Federal Highway Administration requires STBG funds to be used towards regionally significant projects. Please describe how this project fulfills this requirement. \*

Long answer text

Describe how this project impacts other city/county goals, plans, and projects. \*

Long answer text

Describe any work previously completed (or underway) that this project complements or is recommended in other planning studies/construction projects \*

Long answer text

Expansion is considered an expensive and last resort to address congestion issues. If this is an expansion project please explain what other methods have been used to address congestion.

Please review the MPO's Congestion Management Policy

Long answer text

If other, please describe.
