Project Need

Description (optional)

The Federal Highway Administration requires STBG funds to be used towards regionally significant projects. Please describe how this project fulfills this requirement.

*

Long answer text

Describe how this project impacts other city/county goals, plans, and projects. *

Long answer text

Describe any work previously completed (or underway) that this project complements or is recommended in other planning studies/construction projects

Long answer text

Expansion is considered an expensive and last resort to address congestion issues. If this is an expansion project please explain what other methods have been used to address congestion.

Please referene the Hierarchy of Congestion Strategies document located on the funding webpage.

12/2/21, 12:00 PM STBG - Federal Fiscal Year 2026 Application - Google Forms Please describe the overall operations and maintenance plan for this project. What agency will be responsible for ongoing maintenance and operations of the infrastructure, including digital infrastructure, and how will this be budgeted? If the project sponsor is not responsible for maintenance/operations after the project ends, please indicate responsible agency name and the status of any maintenance/operations agreements. Long answer text After section 41 Continue to next section Section 42 of 42 Section title (optional) Description (optional) The MPO receives federal funding and may not discriminate against anyone on the basis of race, color, or national origin, according to Title VI of the Civil Rights Act of 1964. By applying to receive these funds the applicant is acknowledging that they understand and adhere to the principles of Title VI when performing activities related to the funding they receive from

the Des Moines Area Metropolitan Planning Organization.
