ISSUE: Safe Streets and Roads for All Application Development

REPORT and VOTE: Update on the Safe Streets and Roads for All (SS4A) Application Development; consider approval.

BACKGROUND:

The MPO hired Toole Design Group in fall 2023 to develop the region's Comprehensive Safety Action Plan. The plan identifies safety concerns and provides safety countermeasures to support the Des Moines Area MPO safety target of zero fatalities and serious injuries by 2045. The Comprehensive Safety Action Plan was adopted by the Policy Committee on March 27, 2025. Included in the contract with Toole Design Group is the development of an implementation grant application for a future round of SS4A funding.

On March 28, 2025, the U.S. DOT released the FY2025 Notice of Funding Opportunity (NOFO) for the SS4A program. The NOFO lists several changes from previous funding cycles as well as updated items requiring self-certification from a Comprehensive Safety Action Plan. The FY2025 SS4A Implementation Grant NOFO is available here: [FY2025 SS4A NOFO](#). Grant applications for the FY2025 SS4A NOFO are due by June 26, 2025, by 5 p.m. EDT.

Staff will also provide an update on the timing of letters of support and matching fund commitments.

The list of proposed projects will be available prior to the meeting.
